Note 1: Any average price per gallon below $3.50 will remain at a 3.75% fuel surcharge. The fuel surcharge will not be less than 3.75% at any price.

Note 2: The fuel surcharge is updated on the 1st of each month using the prior month's average PADD 1C diesel price.

Note 3: This table will be expanded to cover prices above $7.90 per gallon if needed.

Revised November 2026
